

SIR JOHN CASS'S FOUNDATION PRIMARY SCHOOL

Friday 19th June, 2015

A voluntary aided Church of England primary school in the heart of the City of London

Headteacher: Mr T Wilson

Summer Market

It's our Summer Market on Wednesday 24th June, 2015 from 3.15pm. We do hope you can come along. This year's theme is all about recycling. We need you to sort out your cupboards, drawers and sheds for household items, toys, games, books, CD and DVDs, unwanted gifts, in-date food, bottles, jars, tins and packets. Please give generously. You can drop off your donations in reception at any time.

The entrance fee is 50p but all accompanying children can come for free. There will be a number of other stalls on the day. We hope to see you there!

If you would like more information or would like to help out, please speak to Carol, Julia or Mandy.

Our visitors from Caunton Dean Hole

We welcomed visitors from Caunton Dean Hole Primary School this week. Children in Class 5 have been taking part in a project with this small rural primary school. We have sent letters to each other to find out more about the places we live in and the schools we attend. During their visit the children went to various landmarks around the City accompanied by a City walking guide. We then returned to school for a barbecue on the roof.

Later in the term children from Sir John Cass will visit Caunton and learn more about rural life. We plan to visit a working dairy farm and learn more about how milk is produced. We will then visit Dean Hole school and in the afternoon we'll be going pond dipping.

This initiative has been really successful and the children very much enjoyed their new experiences this week. Children from both settings are learning about each other and forming new friendships. Keep an eye on my blog for more details.

Fruit and vegetable stall at Sir John Cass kicks off in glorious sunshine

The sun shone down on the playground on Thursday 4th June at 3.00pm and parents and children crowded around the theatre to buy some of the wonderful and reasonably priced produce on display.

There were scrumptious strawberries, brilliant bananas, tangy tangerines, awesome avocados, crunchy carrots to name but a few of the fruit and vegetables on offer.

The Headteacher, Mr Tim Wilson, lead the way and many parents, children and staff took home bags full of healthy, vitamin-rich produce.

East London Food Alliance will be running the stall each week during term time. The

produce is bought from the wholesale market near the Olympic Park in Stratford every Thursday morning. It couldn't be fresher or healthier! We are looking for parents who are interested in helping us to run the stall.

If you want to know more, talk to Sue Laney or see Marina or Les on the day about how you can get involved.

Our very own Shaun!

We are now the proud owners of our very own Shaun the Sheep model. Children in Explorers and Discoverers were hard at work this week painting and decorating this model. You may have noticed the many similar models on a walking trail around London. If you would like to find out more about this sculpture project you can find details on the following website:

Getting crafty in the early years!

Our Chess Team

Some children from Class 3 and 4 took part in a Chess Tournament organised by our chess teacher, Mr Dybowski.
