

# SIR JOHN CASS'S FOUNDATION VA PRIMARY SCHOOL

28th November, 2014

A unique Church of England primary school in the heart of the City of London

## Our governing body

Our school's Governing Body exists for our children. The Governing Body is made up of Parent Governors, Governors from the local Community, from St Botolph's and other church organisations, and from the Sir John Cass's Foundation.

It is our responsibility to have a strategic vision for the school and to work with Mr Wilson and the Senior Leadership Team. Together we ensure standards remain high, and that each child makes the best possible academic progress through the school and move on to secondary school as well-rounded individuals. We have oversight of staffing, finance and school policies, supporting and challenging, and seeking to make sure that we retain that special family ethos where our children thrive.

I have asked the Governors to write a little about themselves for the newsletter. Please look out for these profile online or in issues of the newsletter. You may talk to any governor at any time about matters relating to the school but all governors work together for the good of the school.

The Consultation on School Expansion comes from the Governing Body - we want to hear your views. Please fill in the paper questionnaire or go on the school website to complete it online. Your input is very important to the future of the school so we would be grateful if you could complete and return to the school.

Thank you,  
Laura Jørgensen  
Chair of Governors

Apollo 5 Music Workshop with Year 3

### *Christmas Cards*

Your child recently came home with a card which they had designed. If you would like to buy Christmas cards, mugs or tea towels with their design on them, orders must be given to the school no later than 3.30pm Monday 1st December, 2014.

For every order placed, the school benefits!

If you have any questions please contact the school office.

**Don't forget to get those orders in before Monday 1st!**

## Numeracy Workshops

Year 1, 2 and 3 parents are warmly invited to find out more about how maths is taught in school. This will help your to support your child's learning in mathematics at home. Just come along.

**9.15am to 11.15 on Friday 5th December, 2014.**

This session will be repeated for parents of children in Year 4, 5 and 6 on **Friday 12th December, 2014 from 9.15am.**

Please come!
