PE and Sport Premium Funding Impact Report

This report outlines the impact of the PE and Sports premium funding in 2016-17. It also details the proposals for spend in 2017-18 and future PE and Sports Priorities.

The Government provided additional funding to provide new and substantial primary school sport funding in primary schools. This funding is ring-fenced and can only be spent on provision for PE and sport in school.

In the financial year 2016/17 Sir John Cass's Foundation Primary School received around £9,000 in funding.

This funding was used to:

- provide specialist PE provision in order to raise the status of sport and PE in the school and to foster engagement of all pupils in regular physical activity.
- enable staff attendance at specialist training courses to increase confidence, knowledge and skills of all staff in teaching PE and sport.
- develop broader experience of a range of sports and activities offered to all pupils through the use of external PE consultants.
- increase participation in competitive sport through participation in the Tower Hamlets Sports Partnership.
