Who is this letter for? Class 2

Dear Parents and Carers,

Thank you for your ongoing support, ensuring that children are motivated and well prepared for their learning in school.

Throughout May each year, Year 2 children all over the country will undertake assessments in

- Reading
- Writing
- Mathematics
- English Grammar, Punctuation and Spelling

All of the children are used to completing assessments each term and these assessments will be delivered in the same way as they have completed previous tests. We do not tell children that these tests are any different to previous ones they have taken as we do not want to raise anxieties or put any pressure on them. Please support us by keeping talk of tests at home to a minimum.

We are regularly asked how parents can support their children at home. Please continue to read with your child daily, carry out homework that is set and encourage the use of Mathematics. We do not expect parents to be carrying out practice papers with their children.

A number of parents have asked for the link to the video clip that was shared during Friday's parent information meeting: You can Google 'Michael Tidd KS1 SATs 2018' or you can find the link at: https://www.youtube.com/watch?v=dVlrdgh_J6Y .

You will receive information regarding your child's achievements in the end of school year report.

If you have any questions or comments, please speak with a member of the leadership team who will be happy to help.

With thanks,

A handwritten signature in blue ink, appearing to be 'T Wilson'.
