Thursday 19<sup>th</sup> April 2018

## **Mathletics**

Dear Parents and Carers,

To help improve your child's mental maths skills, we would like to invite them to attend our after school 'Mathletics' group.

We meet on Mondays between 3:30-4:30pm in the ICT suite and children complete fun maths challenges on the computer to support their learning in school. Initial places are limited to 20, with any additional children being added to the waiting list.

The next session is on Monday 23<sup>rd</sup> April and all successful children will be informed of their place in the next few days. The 20 children will attend until the end of term (N.b. There is no session w/c 30<sup>th</sup> April due to Year 5 School Journey).

Please complete and return the slip if you would like your child to attend.

Kind regards,

Angela Frain (Year 5 Class Teacher and Leader of Learning for Mathematics).
