

SIR JOHN CASS'S FOUNDATION PRIMARY SCHOOL

Friday 27th May, 2016

A voluntary aided Church of England primary school in the heart of the City of London

ART WEEK

We're looking forward to welcoming Matt Sanderson— Artist in residence to Sir John Cass's Foundation Primary School after the half term holidays from 6th June, 2016.

Matt will be joined by Pauline Flanagan— the tutor on our recent Family Pottery course. Over the course of the week children will be enjoying various workshops including a sculpture session with Matt working with metal, wire and found materials. Groups of children will be working with Pauline using clay and felt on a whole school project. Ms Jones, our Art and DT teacher will also be with us throughout the week.

On Monday **6th June, 2016 at 9.00am** we'll be **launching art week in Assembly** and we invite parents, carers and staff to bring along their sketchbooks to share with the children and hopefully inspire them to get drawing throughout the week.

There will be a very special prize awarded at the end of the week for the best sketchbook in each class. If you're interested in joining our Monday assembly or would like to get involved throughout the week, get in touch with Ms Jones or the school office— office@sirjohncassprimary.org

Our theme for art week is all about **nature**. Matt's workshops will be focused on the idea, '*When nature takes over...*' and other classes will be focussed on all sorts of varied and creative activities utilising plants, animals and natural materials.

Mr T Wilson | **Headteacher**
