### Maths Meetings for Parents and Carers (Y2-Y5)

Dear Parents and Carers,

Your continued role in helping your child learn maths is very important and we value the support that you give. Learning to add, subtract, multiply and divide can be complex and children learn in different ways.

Over the past few months we've been improving our approach and consistency to mathematics teaching, and we're holding meetings with parents to discuss our new calculation policy.

There will be lots of opportunities for discussion and time to share practical approaches and methods which children will be using in school.

We have two sessions:

- Parents of children in Class 2 should attend on Friday 29th June, 2018 at 9.00am.
- Parents of Children in Class 3, 4 and 5 should attend on Friday 13th July, 2018 at 9.00am (please note this is a new date and time).

To confirm your place please complete the slip below and return it to the school office as soon as possible. Depending on demand, additional sessions may be held the future.

I look forward to meeting and working with you.

With thanks,

Miss Angela Frain

Class 5 Teacher and Leader of Learning for Mathematics

---

Please circle the session you would like to attend.

- **Friday 29th June, 2018 at 9.00am (parents of Y2 children).**
- **Friday 13th July, 2018 at 9.00am (parents of Y3, Y4 & Y5 children).**
