'Rock Stars Day' (Non-Uniform Day – This Friday, 20th April 2018) - Reminder

Tuesday 17th April 2018

Dear Parents/Carers,

We hope you are as excited as we are about seeing your child become a 'Times Tables Rock Star' this week.

Our new interactive online and classroom-based mathematics game, will be launched **this Friday** for children in Key Stages 1 and 2, to help improve their multiplication number facts.

To kick the whole thing off, we are having a non-uniform 'Rock Star Day'. This is your child's chance to show off their own rockin' individual style or to dress up like their 'Rock Hero'.

This is a fun event and whilst children are encouraged to come to school in their own clothes, we do not expect parents and carers to go to any expense for the day.

Please note that children will be expected to be back to school in full, smart uniform on Monday – ie, no hair dye, no inappropriate hairstyles and all nail varnish etc removed.

Children in Years 1 to 6 will be shown how to use the new online programme in class. You will then be sent information as to how you can continue to support your child at home with the online version. (N.B - If your child is in Year 5, they are already using the program daily in school and have their log in details).

Children in the Early Years are invited to dress up too and show us some of their best 'Rock Star' moves!

Keep Calm and Rock On!

Miss Frain

(Class 5 Teacher and Leader of Learning for Mathematics)
