

<p>General business-successes</p>	<p>Councillors commented that lunch was really nice at the moment. One class reported that the displays around the school were very attractive. Class 3 and 4 reported that swimming lessons were going particular well. Children in Key Stage 1 reported that they were really enjoying mathematics at the moment and there was lots of opportunities for children to help each other. Councillors felt that children were generally playing nicely together. In Year 6 Councillors commented that children like the different homework practice books and this was helping learning to go really well. Children also commented that the ping pong bats appeared to be lasting longer. Children in Year 5 and 6 were pleased about tutoring and smaller groups in mathematics. One child suggested it was easier to concentrate on their work because of this. Mr Wilson asked whether children liked the smaller groups in mathematics which had been established this year. Children overwhelmingly enjoyed them.</p>	
<p>Problems</p>	<p>Several councillors reported that they were not getting regular opportunities to go to the library and not having much library time in general. This was impeding them borrowing books Several councillors were concerned about the sand on the playground. School council discussed various suggestions including putting a lid on the sand pit.</p> <p>Class 4 reported that there aren't many cake sales going on for class charities at the moment. It was agreed that these should restart in the next few weeks.</p> <p>One school councillor was concerned about the condition of the toilets on the top floor and suggested that money could be spent from cake sales on the toilet areas.</p> <p>Councillors reported that one or two classes had allowed treats to come in on birthdays. Mr Wilson thanked the Councillors for being honest about this and agreed to talk to children in assembly.</p>	<p>Mr Wilson to ask teachers to ensure they provide chances to go to the library regularly.</p> <p>Mr Wilson to talk to Andrew about sweeping the pit</p>
