

Class 2 Curriculum Grid - Spring 2018

This grid provides you with an overview of teaching and learning in the different areas of the Year 2 curriculum this term. Keep up to date by using the home-school book and as always, we have an open door policy so you can come in at any time to find out more.

Get in touch with your child's class teacher via office@sirjohncassprimary.org or catch them on the playground. You can also keep track of what's going on in school via our websites www.sirjohncassprimary.org or just for children www.casskids.org

English	Mathematics	Science
Non-fiction writing Poetry Stories (Fairy Tales) Adjectives, Adverbs Nouns, Verbs Conjunctions Traditional tales	Number Addition and Subtraction up to 1000 without regrouping Addition and Subtraction up to 1000 with regrouping Using Bar Model to solve addition and subtraction Multiplication and Division	Materials identify some naturally occurring materials; predict and describe how heating can change some materials into new and useful materials state the dangers of hot water or naked flame; describe what happens to water when it is heated and cooled; record observations in tables
