The Natural History Museum – Exploring prehistoric collections!

Dear Parents and Carers

As part of our Year 3 history topic on the Stone Age, we will be visiting the Natural History Museum on Wednesday 11th October 2017. Over the course of the day the children will view prehistoric artefacts and discover more about Stone Age events. As part of our trip, we would like to take part in a fossil finding activity organised by the museum. As this would incur a £1 charge per child, we kindly ask that you to make a £1 donation towards the trip so that your child may take part in the event. Payments can be made via Sims Agora or cash in the usual way.

Packed lunch will be provided for the children. Please also ensure your child brings appropriate clothing for the weather on the day. Children will be back at school for collection at the normal pick-up time.

Permission has already been given for attendance on this visit as part of our data collection form. If you would like further information or have any questions, please don't hesitate to get in touch.

Kind regards,

Jonny Jones
