Peter Harrison Planetarium Trip – Royal Museums Greenwich

Dear Parents and Carers,

As part of the Year 5 science topic on space, we will be visiting the **Peter Harrison Planetarium (Royal Museums Greenwich)** on Wednesday 10th January 2018.

Over the course of the day the children will view a curriculum linked film to build their knowledge of astronomy, exploring some of the key topics in understanding the Solar System, galaxy and wider universe.

Packed lunch will be provided for the children. Please also ensure your child brings appropriate clothing for the weather on the day. Children will be back at school for collection at the normal pick-up time.

For more information please contact Miss Frain or Mr Bello.

Kind regards,

Angela Frain (Class 5 Teacher) and David Bello (Specialist Science Teacher).
