

Class 6 Curriculum Grid - Summer 2018

This grid provides you with an overview of teaching and learning in the different areas of the Year 6 curriculum this term. Keep up to date by using the home-school book and as always, we have an open door policy so you can come in at any time to find out more.

Get in touch with your child's class teacher via office@sirjohncassprimary.org or catch them on the playground. You can also keep track of what's going on in school via our websites www.sirjohncassprimary.org or just for children www.casskids.org

English	Mathematics	Science
<p>Macbeth – close reading of the text, looking at Tudor vocabulary, themes and motifs.</p> <p>Macbeth – rewriting scenes from the script as narratives, persuasive texts, diary entries and news reports.</p> <p>Shakespeare – writing in the sonnet form.</p> <p>Revision of all Ks2 spelling and grammar, alongside their use whilst writing.</p>	<p>Revision of the KS2 curriculum as applied through test questions and in problem-solving contexts.</p> <p>Regular, open-ended investigative work based on NRich and BEAM materials, looking at trial-and-improvement, systematic approaches and recording findings.</p>	<p>Investigating Light – what it is; how it travels and interacts with the environment; how it is perceived by humans.</p> <p>Animals Including Humans - the main parts of the human circulatory system; the impact of diet, exercise, drugs and lifestyle; ways in which nutrients and water are transported within animals, including humans.</p>
