

Year One Curriculum Grid –Spring 2018

This grid provides you with an overview of teaching and learning in the different areas of the Year ** curriculum this term. Keep up to date by using the home-school book and as always, we have an open door policy so you can come in at any time to find out more.

Get in touch with your child’s class teacher via office@sirjohncassprimary.org or catch them on the playground. You can also keep track of what’s going on in school via our websites www.sirjohncassprimary.org or just for children www.casskids.org

Task homework

Maths

Put your Maths eyes in...

On your journey home/to school out for things related to maths (shapes, numbers etc...)

E.g. That building has 5 square windows. There are 7 black cabs.

look

Science

Can you make a fact files about your favourite animal? You may need to visit the library to find facts. You can write about what they look like, what they eat and find other interesting facts. You can also draw pictures.

English

This term will have a big focus on handwriting. Please make an alphabet poster forming all lower case and upper case letters correctly. I would like to display these in the class for children to refer to, so make them attractive.
