

Sir John Cass's Foundation
Primary School
Headteacher: Miss A Allan

Monday 29th April 2019

Dear Parents and Carers,

You will have noticed that our long awaited adventure cube was installed over the Easter break. The installation of the flooring took place at the weekend so the climbing frame is now complete and children have begun to use it today.

During the school day, we are ensuring children's safety by putting a rota in place for break and lunchtimes and making sure there is an adult who is specifically monitoring the cube and its appropriate use.

Unfortunately we have to ask that no child climbs on the equipment during the time before or after school. This is due to no member of staff ensuring the safe and sensible use of the cube. We do recognise that this may be disappointing for some children, particularly while it is new, however we have to make sure that children's safety is put first.

Please work with us in enforcing this rule.

Regards

Miss A Allan
Headteacher
