Happy Easter Year 5!

I’m not setting you any home learning to do over the next 2 weeks but here are some activities I think you might find fun. Let me know which was your favourite, I know which ones I’m looking forward to checking out.

Miss Allan has sent a lot of links and suggestions home in the newsletter too. You can also find these on the main home learning page. Maybe you can try some of those as well?

Speak to you all soon,
Miss Letts

Create a cardboard geodesic dome den and then decorate it (an adult will need to help with this so it would make a great team or whole family activity):
